2018 RMMG Annual Marquetry Show and Sale

August 10 through September 8, 2018

Longmont, Colorado

The Rocky Mountain Marquetry Guild (RMMG) is once again hosting a month long show featuring marquetry art by members and additional outstanding artists. Last year's show also served as a national show for the American Marquetry Society and was a big success. We displayed over 80 pieces of marquetry art and furniture, and hosted about 300 people at our reception. The show is expected to expand even more this year. The show is located at The Great FrameUp in Longmont, Colorado, which has excellent gallery space and which participates in Longmont's "2nd Friday Art Walk" which features the opening reception. For more information about our guild and the show, send an email to info@comarquetry.org and check out our web site at: www.comarquetry.org

ENTRY INFORMATION: We are seeking entries from any interested marquetarians. Although this is NOT a juried entry show, because of potential space limitations, we may need to restrict entry. To accomplish this, we ask that you use the entry form on the back of this flyer to submit information about your work, including a photo of each piece, its size and title. Note also that sales are encouraged, so the proposed price should be included if applicable. This entry form should be emailed by July 1, 2018 to info@comarquetry.org.

Acceptance: All submitted work must include marquetry/parquetry or inlay in some form. Both two-dimensional pieces, boxes and a limited number of furniture pieces can be accommodated. We anticipate that there should be space available for all submissions. We will confirm that your work will be included by no later than July 8, 2018. If you have any concerns or questions, send email to info@comarquetry.org

Fees: For members of the RMMG, there is no cost to enter your work. For non-members, there is a fee of \$5 per piece with a maximum of 3 pieces. If a non-member submits 3 pieces, they will be granted a complementary membership in the Guild through the end of 2019. (See the website for information of benefits of membership, including access to live streaming of Guild meetings)

The fees will be due with the shipment of your work. **Any pieces for which fees are not received will not be displayed**, so please don't forget to include this.

Divisions: To encourage participation by beginning practitioners of marquetry, we will be having a separate display of work by new marquetarians, typically those who have been working in the media less than a year. However, this is only a guideline, so it's up to the artist to assess whether they are a beginner.

There will also be an open division, in which any participation is allowed.

Prizes: This is NOT a juried exhibition. However, there will be awards given for the pieces that are the favorites of the public. Separate awards for the open and beginner divisions will be offered.

Commission: There will be a total of 40% commission collected on all sales. The gallery collects 35%, with the balance going to the Guild. This may influence the price that you set for your work.

Shipping: You are responsible for shipping your work to this event. You will be provided with shipping instructions upon the acceptance of your work. The work must be received by August 1, 2018. The Guild will pay for the return shipping of your work.

Insurance: Neither the Guild nor the Great Frame Up Gallery will be providing insurance for your work. Protecting against loss of any kind is your responsibility.
